COMMODORE'S COLUMN...

I am looking forward to a great 2008-2009. We have tremendous enthusiasm and

dedication in our club right now. BYC is evolving nicely and we have experienced a remarkable recovery from those dark days of the late 90's. Many club members have given of their time and money to ensure the continued existence of this club.

The key to our success is the fact that we are a "Volunteer" club. All of you who have volunteered at the club, I am thanking you now! Volunteering is a great way to be involved and to meet and interact with fellow boaters.

I have heard a member or two ask "What will the club do for me, now?" For those I can only say, "You are the club. What can you do for your fellow club member today?" We are all in this together -The more we give to our fellow boaters, the more we get out of this experience called the Bellingham Yacht Club. Get involved, Get Active-You will not regret it!

I want to ensure we continue in our positive direction. I am asking you all to complete the attached survey (located at the end of this Jib Sheet) and email (preferably) or mail it to me. Your Board needs your input to ensure we are meeting your preferences.

Please email your completed responses this week to joule@zeninternet.com or mail it to Bellingham Yacht Club, 2625 Harbor Loop, Bellingham, WA 98225 c/o Commodore

PC STEVE MOORE NEEDS F@5 HELP

Steve needs help getting the Friday at 5 host scheduling in place. As a F@5 host, one, two, or more Members provide a theme and key dishes for a Friday at Five. Some folks do it simply, with modest offerings, others do more elaborate serving, but everyone always appreciates what is served and the hosts can have some fun reciprocating for all the nice times Fridays at Five bring us and our guests.

Past Commodore Steve urges you to pick a first or third (or fifth, when there is one) Friday and volunteer to be a host. Call him at 201-8999 or email steve@mooreandcompany.com

for more details and ideas...and take your turn providing the fun. THANKS!

THIS MONTH'S FEATURED ADVERTISERS

TRI COUNTY DIESEL MARINE is the area's most comprehensive dealer/servicer for marine engines. Mike Rusk, backed by wife Lauri and the team of electrical specialist Paul, plus mechanics David, Joe, Mike W., Pat, and parts guy Wayne, plus a huge parts supply and fully-equipped tool and equipment inventory make it a shop without equal in our region. Authorized by CAT, Cummins, Detroit, John Deere, Luger, Northern Lights, Perkins and Yanmar, they'll

handle any Diesel job, from an oil change, to a re-power; their experience means you can trust their work, estimates, and follow-up. They understand "Yacht Quality" and cleanliness, too. Call them: 733-8880, or visit 2696 Roeder Avenue.

LFS MARINE SUPPLY *is a great place to shop for the holidays!* Whether you're buying gifts for the family boat or boater, or purchasing supplies to keep your vessel in perfect shape, LFS is the store that has just about everything. For example, wonderful fleece clothing and fine boating shoes and boots in their clothing section — or the convenient and comfortable new inflatable PFDs in the safety section. And binoculars, weather instruments, Bradley smokers, Caframo Stor-Dry for winterizing, and lots more: You'll be amazed at their great selection of stuff for gifts and boat care.. Easy to find, fun to shop, it's LFS, at Coho and Roeder, 734-3336.
